MICRODERMABRASIONS & PEELS

🌀 Microdermabrasion	90
🌀 With Neck and Chest	110

Our aesthetician uses a diamond tip wand (aluminum free). This procedure resurfaces the outermost layers of skin removing dead skin cell layers to reduce damage caused by many factors. This resurfacing will improve the look and feel of your skin and stimulate new skin cell production. Helps reduce acne, improves scarring, texture, fine lines, enlarged pores, tone and pigment problems. This service is non-invasive with little or no recovery time. (Please call for free consultation. Available for body and face.)
